### Prof. Khaled Al Hamad

Prof Khaled Al Hamad obtained his BDS from the Jordan University of Science & Technology, master's degree in prosthodontics from the University of Edinburgh, and the specialty diploma (MRD) and fellowship (FDS) from the Royal College of Surgeons of Edinburgh. Prof Al Hamad has more than 20 years of experience in teaching and clinical prosthodontics. His research interest is in smile design and digital prosthodontics and has published several papers on smile parameters, face attractiveness, learning curve and accuracy of intra oral scanning, 3D printing of ceramics and complete dentures, and CAD-CAM milling technology.

This activity is an accredited group learning activity (Category 1) as defined by the Ministry of Public Health Department of Health Professions Accreditation Section (DHP-AS) and is approved for a maximum number of 1 hour
