FACULTY SEMINAR SERIES

College of Dental Medicine and the Oral Health Research Network is pleased to invite you to attend our February Faculty Journal Club meeting.

"White Spot Lesions in Clear Aligner Orthodontic Treatment"

Learning Objectives:-

By the end of this presentation, the attendees will be able to:

- Discuss the risk factors of developing white spot lesions (WSLs) during orthodontic treatment.
- Discuss the prevalence of WSLs in clear aligner treatment compared to traditional braces.
- 3- Review the latest evidence-based scientific knowledge and practices for WSLs in clear aligner orthodontic treatment.

Thursday, 18 April 2024

12:00 - 1:00 p.m.

In-person: QU Building **H12** Room **165**
